RULES OF THE ROAD, etc...

Many farm stands are unstaffed and run on the honor system. Having cash and small change on hand will help!

Farm stands are often located at private homes. Please respect privacy, don't litter, and wait until you're at home or at a public area to enjoy your bounty.

This directory lists only farms that have road side stands; not those that may offer CSA shares or sell at the Farmers Markets or through our local grocers. Visit whidbeycd.org/local-agriculture for more info.

If we missed a stand or you would like brochures to distribute, contact lauren@goosefoot.org. Download brochures at www.goosefoot.org/pdf/farmstands.pdf

Thanks for supporting our local farmers, ranchers, and producers here on Whidbey Island!
