RULES OF THE ROAD, etc...

Many farm stands are unstaffed and run on the honor system. Having cash and small change on hand will help!

Farm stands are often located at private homes. Please respect privacy, don't litter, and wait until you're at home or at a public area to enjoy your bounty.

The following farms offer CSAs but do not have farm stands: 12 Birches Farm, Deep Harvest, Organic Farm School, and SkyRoot Farm. For more on our local agricultural resources, visit whidbeycd.org.

If we missed a stand or you would like brochures to distribute, contact sami@goosefoot.org. Download brochures at www.goosefoot.org.

Thanks for supporting our local farmers, ranchers, and producers here on Whidbey Island!

For more information on our local food system, like us on FB: *Whidbey Island Friends of Food & Farming, Slow Food Whidbey Island, Whidbey Island Conservation District, Whidbey Island Grown, and Goosefoot.*
