2017 WICD Board (l-r):
Thomas Fournier,
Sarah Richards,
Ed Adams,
Anza Muenchow,
Tim Keohane

YOU'RE INVITED!

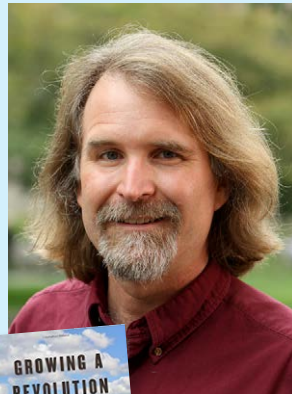

5:30: Social Time & Hearty hors d'oeuvres

Meet the Staff, Supervisors, and your fellow Whidbey residents.

6:00: Introductions & WICD History Overview

6:30: Awards Presentations

Congratulate our award winners while learning about the projects they have implemented to improve their site and operations while conserving natural resources for the future.

7:00 Key Note Speaker: David R. Montgomery

University of WA professor of geomorphology and author of *Growing a Revolution: Bringing Our Soil Back to Life*, and other award-winning popular science books, will share his engaging passion and extensive knowledge on the topics of Sustainability, Geology, Ecology, Anthropology, History and Agriculture.

8:00: Closing Remarks & Book Signing

Moonraker Books of Langely will have a selection of David's books available for purchase - cash or check preferred.
