

# LIVING WITH BEAVERS

Thursday  
August 23rd  
7:00 - 8:30 p.m.

Deer Lagoon Grange Hall  
5142 Bayview Rd., Langley

**SPEAKER:** Elyssa Kerr, Project Manager,  
from Beavers Northwest.

Topics covered include:

Beaver ecology, benefits of beavers,  
management options, and the services  
Beavers Northwest can offer.

While beavers can sometimes be a headache to landowners, they provide many benefits to the ecosystem!

Come get your questions answered and learn the importance of beavers and how to live peacefully alongside them.
